

**REMARKS**

**I. Status of the Claims**

Claims 38-43 and 45 are pending in this application.

**II. Double Patenting**

Claims 38-43 and 45 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 and 2 of U.S. Patent No. 6,830,755. As suggested, Applicants have attached hereto an appropriate terminal disclaimer.

**III. Conclusion**

Applicants believe that the foregoing presents a full and complete response to the outstanding Office Action.

If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 10-0750/JBP0521USNP/EMH. If a fee is required for an Extension of time 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

/Erin M. Harriman/
